

## 7. Admission Process

Applicants can apply online via the "Apply Online For Admission" page on the official website, or collect and

submit a physical application form at the college admission office. The application should be submitted along with

copies of all academic qualifications (starting from S.E.E. or equivalent), certificates, diplomas, and degrees, plus

letters from past/present employers if applicable. For BSc CSIT, an entrance examination conducted by IOST,

TU is mandatory. Some sources indicate a personal interview with parents is also part of the process for select

programs. The college offers merit- and need-based scholarships; details are on the official Scholarship page.

Support for admission queries is available via phone at 01-5425393, 5443037, or 5420553.
